

TOWN OF BENNINGTON

BOARD OF SELECTMEN

Minutes of the Meeting – June 5, 2010

At 10:10 a.m. Selectmen Joseph Cuddemi and Philip Germain met at the Doris Maloon residence, 71 North Bennington Road in response to Mrs. Maloon's request that the Town grant her an extension of time to clean up the discarded items and unregistered vehicles outside at her property, further identified as M17/L30. The meeting was posted at the Town Hall and the Library more than twenty-four hours before the scheduled meeting.

While Mrs. Maloon chose not to join the Selectmen outside, she did extend permission for the Board of Selectmen to inventory the property and take photographs of the property's exterior contents.

The meeting adjourned at 10:25 a.m.
