

TOWN OF BENNINGTON
CEMETERY TRUSTEES
Minutes of the Meeting- October 13, 2009

Present Jill Young
 Bernetta Mackenzie

Jill called the meeting to order at 7:05 p.m.

The minutes of the August 11, 2009 meeting were reviewed and accepted as written.

Thom will get a quote for loam from two locations. He will also remove the flowers from the cemetery.

Jill will extend a formal invitation to Val Germain for the November meeting.

Jill has spoken with Peg Sharby from Antrim about the Coffin lot. One standing headstone will be allowed on the lot. Mrs. Sharby will contact Mr. Kaufhold to purchase corner stones for the lot.

Jill will check on the dates that the prisoners will be in town to do fall clean up. The tentative dates are October 19 through October 23. Bernetta will supply coffee and papergoods, Jill will supply a turkey dinner and a meal of beans and hotdogs, and Thom will be asked to supply chop suey. When the prisoners are done with the clean up in the cemeteries, the gates will be closed and locked for the season.

The Trustees will ask the Town for a cupboard to keep their supplies in.

It was noted that extra police coverage would be requested for the cemeteries on Halloween.

The budget request was reviewed and signed for submission to the Administrator. It was noted that the Trustees would like to receive all receipts as well as a monthly report to accurately track their spending.

There being no other business at hand, the meeting was adjourned at 7:38 p.m.
