

TOWN OF BENNINGTON
CEMETERY TRUSTEES
Minutes of the Meeting- December 8, 2009

Present Jill Young
 Bernetta Mackenzie

Jill called the meeting to order at 7:13 p.m.

The minutes of the October 13, 2009 meeting were reviewed and accepted as written.

It was noted that the Cemetery Trustees will request a key to the Town Hall so that the Trustees can get in the building for meetings.

Jill gave an update on the Coffin lot. The Mr. Kaufhold has put the stone on the lot in Evergreen Cemetery.

Sunnyside Cemetery is now closed for the winter months. The gate has been found open on several occasions. It was also noted that the gate is in very bad condition. The Trustees need to walk the cemeteries in the Spring to note the work needed.

Jill has spoken to the Road Agent due to a request for removing trees in Evergreen Cemetery made by Barry White. The Road Agent was told not to worry about it as it is not his responsibility.

A vote was taken to change the time of Trustee meetings to 6:00 p.m. for the winter months. All were in favor.

The Trustees greatly appreciate the work done by the Road Crew. It was suggested that they provide coffee and donuts for them.

There being no other business, the meeting was adjourned at 7:48 p.m.

Respectfully Submitted by

Debra Belcher
Cemetery Trustee Recording Secretary
