

September 15, 2009

Meeting called to order by Commissioner Glenn Wilson at 7:05PM. John Spanos was also present. The records of the last meeting were read. There was a correction-correction being that the leak on Cross Street was at nine Cross, not Six as reported in notes-Correction made. The commissioners reviewed the letters that were going to be sent out, for Park Place Properties, Heidi Christiansen & Donald Cashion. Both Commissioner Wilson & Spanos agreed that the letters were acceptable. The board reviewed unpaid water/sewer accounts dated September 5, which were furnished by the tax collector to the commissioners for review. They agreed with all names, except for Donald Cashion, whose name will be removed due to the commissioners feel he needs to have more time to respond after receiving the letter talked about above. Sal Landi showed up at the meeting at 7:35 PM & reviewed the minutes. The account at 9 Bible Hill will stand as the commissioners voted at a prior meeting. Water was restored before April 15, 2009, therefore good for the whole quarter. The commissioners voted to change their October meeting night to October 20, 2009 because Chairman Wilson stated that he had a prior commitment on October 13. Also all future meetings will start at 7:00PM. Hydrant flushing to take place on October 24, 2009 with a rain date of October 25, 2009 With nothing else to discuss, John Spanos made a motion to adjourn, which was seconded by Wilson. Meeting adjourned at 8:52PM
