John Tyler called the meeting to order at 6:45 p.m.

Mr. Gray approached the Board questioning why he was not on the scheduled agenda. Mr. Gray will be placed on the agenda at the earliest possible time. Mr. Gray complained that the Chairman of the Planning Board convinced the ZBA that his variance should be denied. The Planning Board had given the ZBA a packet of information pertaining to the case. Mr. Gray stated that he wanted a copy of the informational packet. Mr. Gray was told that the Board would schedule the hearing with tentative date of May 26, May 27 or June 4 depending on when the Board members could meet.

The minutes of the March 16, 2009 meeting were tabled until such time as there is a quorum of members that attended the March meeting.

It was noted that the Code Enforcement Officer should be at the May 21, 2009 meeting pertaining to the Stockwell case.

Peter Martel made a motion to adjourn. The meeting was adjourned at 7:50 p.m.
